## **NCS/GEN/CIR/1-2018**

Greetings of good health and happiness! We have come to the close of another eventful academic year. Hence a time for retrospection, thanks giving and fresh beginnings- time to begin anew. Let us unite and raise our hearts in gratitude to the Lord of the Universe and Master of our destinies for the numerous big and small blessings of the year, the multitude of interventions made in our lives, the beautiful ways in which He made us His instruments, thousands of people He brought into our lives and above all His constant presence, protection and care. Let us thank Him for the gift of life, the gifts of our children who bring boundless joy and sunshine into our lives.

It is due to your unstinted co-operation and the grace of the Almighty that we have been able to conclude the academic year on a happy note, with the knowledge that we have been able to achieve most of the targets we set out to realize at the start of the session. The weekly tests, periodical assessments and evaluations held at regular intervals have shown that most of our students are focused and competitive though there is ample room for improvement. The dependency on tuitions and rote memorization is a matter of concern as they retard the development of other intellectual abilities and acquisition of true knowledge and skills.

Besides, the dependency on tuitions/ coaching tend to undermine the sanctity of education and respect for teachers. If only you would wake up to the reality and co-operate with us to curb this unhealthy virus! Let us work together to promote understanding, independent thinking, initiative and thus give wing to their imagination and creativity and widen their horizons and form them as men/ women of character. This calls for a lot of interest, patience and sacrifice on your part especially during the formative years of your ward. Nothing else can compensate for your personal interest and involvement in your daughter's / son's life and activities.

Character formation is as important as academic and cultural activities. As you are aware our value systems, positive qualities and attitudes give meaning to our lives, they sustain us through the ups and downs of life and equip us to face the challenges ahead and make our lives worthwhile. Hence a concerted effort should be made to create conditions both at home and in school to help the young ones to imbibe these and grow up as integrated persons.

I have a special request to make to all parents that you spend more time to know your children better to share their ecstasies and agonies to extent timely guidance. Please make efforts to know their friends. Kindly ensure that they do not have mobile phones. Be their best friend and be available to them when they need.

Once again let me place on record our appreciation for your co-operation and support rendered. Let us continue to explore new ways and means to further enhance the vision and mission of the school and make its presence felt in society. As usual looking forward to your whole hearted and timely co-operation and assistance.

*“Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God.”* [Heb 13:16]

## Please Note

- It is compulsory for all the students to attend classes from the very first day. If found absent without prior permission, their names shall be struck off from the school rolls. The students who are regularly late to school will not be permitted to attend classes.
- Only the students of VI to X are permitted to come to school independently by bicycle.
- No student is allowed to come by scooter / motor cycle / moped etc.
- The school authorities will not be responsible for the students who are roaming outside school campus after the school hours, for any reason whatsoever. In case of delay in the conveyance, the students may remain within the school campus. Hence, you are requested to instruct your ward accordingly. (Please arrange the conveyance within 10 minutes of the final bell).
- You need to ensure that your daughter / son comes to school in clean, neat and proper school uniform and with a decent hair cut / hair style.
- It's strictly mandatory to send your ward with proper Tiffin to school daily.
- The school shall not allow any relative or neighbour to pick up the child during school hours. In case of any emergency, the child will be sent through a guardian with an authorisation letter duly signed by the parents with their mobile number. No one else will be entertained.
- No child will be allowed to go home in between the school hours. If it is urgent then only after the Interval the child will be permitted to leave the school, not before.
- Your ward should converse in English during the school.
