Dear Parents,

Greetings of good health and happiness. The new academic session is round the corner and once again it's time for retrospection and thanks giving. Let us in unison raise our hearts in thanks giving to the Almighty for the year that has been the innumerable blessings and experiences of love and care, the lessons of life learnt, the knowledge and skills acquired, the opportunities of life enchantment, the chances of reaching out to the people of our country. Praise the Lord! Thank Him for His benevolence!

On behalf of the management and teaching community, I thank each one of you for your whole-hearted co-operation.

It is my earnest request to you dear parents, to give quality time to your children. Appreciate and encourage them, take interest in their life and activities. These are their precious years. Nothing can really substitute the love and care they receive from their parents and the sweet memories that would evoke in their adult life. These lay the foundations for a meaningful and rich life. Kindly ensure that they imbibe right values and are courteous and respectful in their dealings. Keep in touch with the teachers of your ward. We have a common goal, that is, the welfare of your child and as educators and parents we have to work together to promote the all-round growth of the upcoming generation to build up their future.

Our is an English Medium School. But the purpose is defeated if your wards do not converse in English during and after school hours. Insist to improve their skills in the language that would make them better equipped by the time they leave the school.

Once again I would request you to make special efforts to inculcate right values and attitudes in your daughter/son, to encourage refinement in speech and behaviour, to cultivate good reading habits, punctuality, regularity and self-discipline. Support and re-inforce the efforts of the school in moulding your ward's character.

May the Lord Bless each one of us and grant us lasting peace and happiness and enable us to spread the fragrance of His love all around us.

PRAISE THE LORD!
