Introduction

It is an association of all the Ex-students of this highly esteemed institution serving people for the last 50 years. This is a platform to re-unite once again to get back what we miss once we finish off the school life. A great chance to remember the past, to remember the school, the classroom, in which we have studied, to go through the fields in which we used to play. In short, a great chance to come back to the place where we had spent the most precious years of our lives. So do come and join.

Aims and Objectives

- (a) To nurture, rejuvenate and further the bonds of friendship and fellow feeling between the Alumnae themselves as well as between the Alumnae and the school.
- (b) To cooperate in a mutually constructive manner in order to further the principle of moral integrity, humanity, service and other such values which were inculcated in school.
- (c) To emerge as a socially productive organization and to actively engage in cultural, philanthropic and charitable activities.
